THE TIMES-GAZETTE, REDWOOD CITY, CALIFORNIA, FRIDAY, FEBRUARY 3, 1939 — ESTABLISHED IN 1859

Proclamation

Nearly 90 years ago, the two industries of lumbering and ranching in this section of the Peninsula proved sufficiently stable that a town was founded, which we now know as our own Redwood City.

Were it not for the solid foundation provided by these industries and the pioneers who developed them, Redwood City might not have existed through all these years or might have been only a small town instead of one of the most important between San Francisco and San Jose.

The hardy rancheros of the Rancho de las Pulgas, upon which Redwood City was located, and the sturdy loggers of the hills just back of this community, provided a rugged stock of individuals. Descendants of some of them still are among us. They met life's battles unflinchingly, and fought them well.

Even now, ranching and lumbering, though in far different forms, continue to play roles in the drama of Redwood City's progress.

Lessons learned from the struggling pioneers who knew how to develop and make the most of the natural wealth of this community have taught us of this generation that it is full use of our existing resources which has kept us progressing; which this year sees Redwood City at the threshold of a new era of prosperity and opportunity.

I believe it is entirely fitting that we honor the memory of those pioneer lumberjacks and rancheros in adopting for our festivities during this year of celebration a costume which is a combination of the clothes worn by them.

Therefore I, as mayor of Redwood City, do proclaim the official costume for 1939 to be "TEN-GALLON" HATS, with special bands; PLAID SHIRTS, NECKERCHIEFS, and JEANS or DUNGAREES, and I urge every man in Redwood City to acquire such a costume at once and wear it as much as possible, particularly on public occasions.

Louis C. Christensen
Mayor, City of Redwood City.

More than 750,000 Christmas trees were exported from Nova Scotia before the middle of December.

American farmers realize approximately $50,000,000 a year from the trapping of small fur-bearing animals.

R. C. To Honor Early Industries In Official World's Fair Costume

MAYOR PROCLAIMS COSTUMES

Combination Of Lumbering, Ranching Due

Tribute to its two earliest industries will be paid by Redwood City in the official costume worn by its citizens on all public (and some private) occasions throughout the coming year.

The costume committee of the city's exposition committee announced today that the proper attire for men in the county seat beginning Feb. 11 would be:

A "10-gallon" hat with special band.
A plaid shirt.
Neckerchief.
Dungarees (blue jeans).

In deciding on this apparel, the committeemen pointed out that it was the closest that they could come to the dress worn by both the early-day lumberjacks and the rancheros of the Rancho de las Pulgas, upon which the community which is now as Redwood City was founded some 90 years ago.

IMPORTANT INDUSTRIES

Lumbering in those days was the principal industry, and the Port of Redwood City was the shipping terminal for the products of the lumber mills around Woodside. But the huge ranchos with their cowboys are also deemed important in the early days of this area. Therefore, the committee, consisting of Sam H. Winklebleck, R. E. O'Connell Jr. and Edmund Scott, decided on the combination attire.

The costumes conform with those adopted in San Francisco.

The clothes may be obtained, starting tomorrow, from three stores which have been designated as official costume houses: J. P. Hearne Dry Goods Co.; A. J. Weiss Men's Store; Sequoia Men's Shop. They are the only clothing merchants participating in the current Treasure Island Queen Contest, which is being held in conjunction with Redwood City's plans for a year of celebration.

The costumes are to be worn especially during celebrations, including the Feb. 11 dance where the queen will be crowned; the Feb. 18 and 19 festivities attendant to the opening of the Golden Gate International Exposition on Treasure Island, San Francisco; the May 12-14 civic celebration to honor completion of $750,000 worth of new public buildings in Redwood City, and on other occasions—or even every day.

WHISKERINO PLANNED

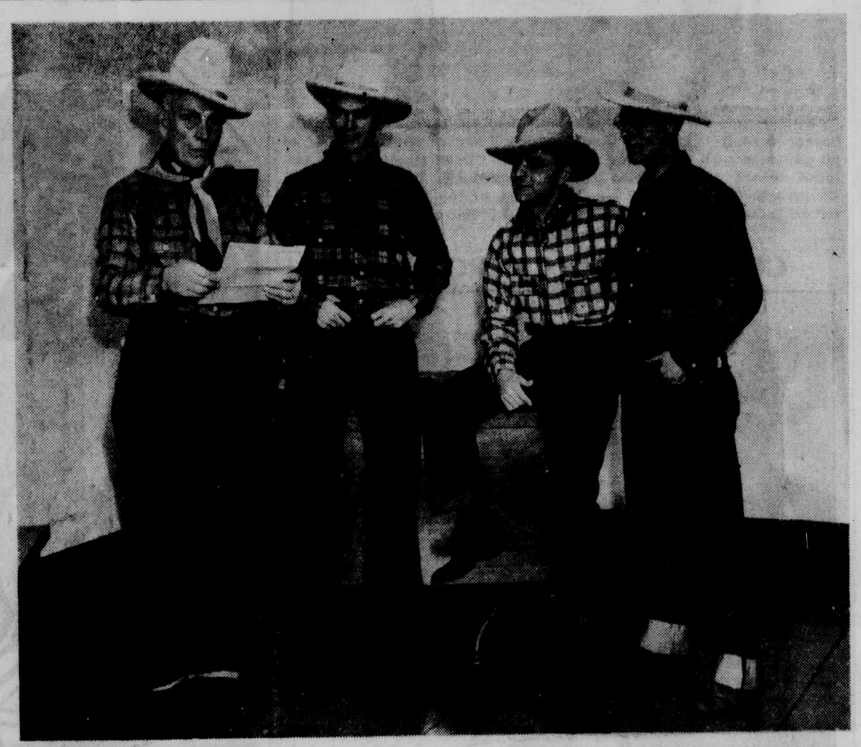
Other events are planned for the year, among them a "whiskerino" contest which will close at the start of the Spring celebration.

The hat bands and neckerchiefs are especially designed for use in connection with the World's Fair.

The gold hat band has imprinted on it in blue letters the inscription:

'39 REDWOOD CITY '39
Take your Place in the Sun
DOWN THE PENINSULA

The 24-inch square gold neckerchief is centered by a picture of Treasure Island and the two bridges, and bordered by missions, public buildings, bridges, forests, beaches, airplanes and other objects. The wording "Souvenir of California" is imprinted on the 'kerchief.



When Mayor Louis C. Christensen proclaimed the type of clothes he and these other Redwood City leaders in World's Fair activities are wearing as the official costume for Redwood City, he not only dressed up in them himself but saw to it that the other three men donned "10-gallon" hats, plaid shirts, neckerchiefs and dungarees to hear him read his proclamation, which is printed below. Shown in the picture, left to right, are Mayor Christensen; Chairman William M. (Bill) Werder of the Treasure Island Queen Contest; Chairman Sam H. Winklebleck of the costume committee, and City Recreation Director Alfred (Red) Morton, who is handling details of the Feb. 11 dance, the Feb. 18-19 festivities in connection with the opening of the Golden Gate International Exposition, and the May 12-14 Spring Festival to celebrate completion of $750,000 worth of public buildings. Air Tour Made For 'Tail Spin,' Daring Picture

A sextet of feminine ambassadors headed by the famous pilots, Ruth Nichols and Margo Bain Tanner, arrived in San Francisco Saturday on the first hop of a nine-city cross country air tour on behalf of the sensational picture "Tail Spin" which has been dedicated to the American women in aviation and which will be shown at the Sequoia Theater.

The sextet, which in addition to the pilots, Miss Nichols and Mrs. Tanner, includes the flying actresses Lillian Porter, Dorothy Dearing, Joan Valerie and Helen Ericson, received a triumphant welcome in San Francisco, having been met by city officials, society women members of the 99 Club, army and navy airplanes. Preceded by motor police escort from the flying field to the San Francisco City Hall, they awarded prizes to public school students to the boys displaying airplane models and the girls for aviation essays.

Miss Nichols and Mrs. Tanner visited Treasure Island, where they accepted the commission of emissaries for the Golden Gate International Exposition, and received scrolls from Exposition President Leland Cutler which will be presented to the mayors of the leading cities on their air route, inviting the city officials and citizens of the various cities to visit Treasure Island.

"Tail Spin," which co-stars Alice Faye, Constance Bennett and Nancy Kelly, and with a cast including Joan Davis, Charles Farrell, Joan Valerie and other favorites, is a Darryl F. Zanuck Twentieth Century-Fox production and is a story of those women without fear—the reckless, daring racing pilots.

Oratorical Contest Preparations Made

MENLO PARK NEWS NOTES

MRS. HANSEN DIES

MENLO PARK, Feb. 3 — Mrs. Catherine Mullen Hansen, who passed away at her home in Palo Alto Monday evening, was well known in Menlo Park, where she often visited friends. Mrs. Hansen came to Searsville in 1858 as a girl of two years and lived in the vicinity until the family moved to Palo Alto in 1907. During her long residence at Woodside Mrs. Hansen was the correspondent of the Times-Gazette. Her weekly letter was always read with interest by a large number of subscribers throughout the county. Her brother, the late Daniel Mullen, was a well-known musician and for a time conducted a dancing school here. This was in the eighties.

Leo Dunn, Menlo Park street inspector, who has been ill at the Base Hospital for some time, is recovering. Dunn is an efficient officer.

The total rainfall for the season is 7.07 inches, as compared to 11.61 inches at this time last year. The precipitation for the recent storm was 1.29.

W. T. Casey, the local duck hunter, went to the Palace Hotel, San Francisco, Tuesday evening, to listen to a talk on wild game by a noted Canadian sportsman. The lecturer spoke of the breeding places of ducks and geese in the North. Ducks have been dying by the thousands in Canada this Winter to the great alarm of California hunters, who every season watch for the big flights from the North. Casey enjoyed the talk and learned much of the wild life of our neighboring country.

Captain Brady, a retired officer of the San Francisco police department, is here on an extended visit with his niece, Mrs. E. Kelly. The captain leaves a splendid record for efficiency in the department.

A son was born to Mr. and Mrs. Edward Derry last Saturday. The new arrival makes a group of six pretty children, 3 boys and 3 girls. The proud father is well and receiving the congratulations of friends.

Mrs. Fannie I. Kurtz, the painstaking and efficient city clerk, is recovering from an illness that confined her to her home this week.

Mrs. Emma Webb, a resident of Menlo Park for the past 13 years, died at the Community Hospital after a brief illness last Sunday. She was the mother of Martin Webb, teller of the Bank of America here.

Last Saturday George Murphy entertained the boys of St. Joseph's Traffic Patrol. After luncheon at Hotel President, Palo Alto, games were enjoyed until it was time to attend the show. Favors were miniature traffic patrol men. Those who enjoyed Georgies' hospitality were George Brown, Laurence De Rosa, Bernard McLaughlin, Ralph Paine, Paul Kevan, Edward Kevan, Libro Caissio, Joe Whelan, Pat Green, Connie Maloney, George Murphy, Frank Betencourt, George Steinhardt, Donald Lintner, Jimmie Hanley and Tom Paine.

Thursday evening Mrs. Eleanor Ryan of Menlo Parlor NDGW, deputy grand president to Bonita Parlor of NDGW of Redwood City, installed the officers of that parlor. She was assisted by the following members of Menlo Parlor: Acting Grand Marshall Mrs. Mary Fisher, Acting Past Grand Pres. Mrs. Laura Bartels, Acting Grand Organist Norma Guglimoni and Acting Grand Secretary Mrs. Frances Maloney. Gifts were presented to Mrs. Ryan by Bonita and Menlo Parlors. Mrs. Ryan also gave gifts to her officers. After installation, which was open, refreshments were served and dancing followed to music of Hill Billy orchestra.

The following members of Menlo Parlor were present: Pres. Victorene Boetto, Past Pres. Louise Murray, Mary Fisher, Frances Maloney, Eleanor Ryan, Frances Feroli, Kathrine Morris, Laura Bartels, and Norma Gugliomoni.

BELGIAN CONGO DISCIPLINE

Savage brutality, hitherto unphotographed secret rituals, thrills of an unprecedented nature are to be seen in "Dark Rapture," the pictorial record of the Denis-Roosevelt expedition into the Belgian Congo, which will be shown on the screen of the Fox Sequoia Theater on Wednesday night. Edmund Lowe, in "Secrets of a Nurse" will also be seen.

GOLDEN SCROLLS FROM FAIR

Joan Valeri, glamorous blonde actress of the cast of "Tail Spin," romantic melodrama of the air, receives from Leland W. Cutler, Exposition president, nine invitational scrolls addrressed to mayors of cities to be visited by the girl fliers in a cross country flight to boost the Golden Gate International Exposition. The ceremonies were held on Treasure Island when Miss Valerie, with Lillian Porter, Dorothy Dearing and Helen Ericson constituted an escort for Miss Ruth Nichols and Mrs. Margo Bain Tanner, famous pilots who stopped in San Francisco on the first step of their good will tour.

Carload of Autos Received by Firm

The Cuddy Motor Co., 334 El Camino Real, Redwood City, is not only proud of an achievement recorded this week, but happy over the fact that business was good enough to make the accomplishment possible.

The event was the delivery of a freight carload of new Oldsmobile automobiles.

The carload arrived in Redwood City Monday, for distribution by the local automobile firm, which said that rapid sale of this automabile made possible the ordering of the machines a carload at a time.

Recommending Yee & Ko

CHINESE HERBS

FOR KIDNEY TROUBLE

June 10, 1938.

To Whom It May Concern:

I have been troubled with weak kidneys for some time. I was also very nervous and had a tired feeling all the time. My legs were weak, and I had inflammation on my feet. I also had palpitation of the heart and gas.

At the suggestion of a friend I commenced the use of Yee & Ko Herbs. The result was remarkable. In just five weeks my trouble had all vanished. I am happy to say that Yee & Ko Herbs have brought me back in health again.

I am sincerely recommending Yee & Ko Herbs to anyone suffering as I did.
